MICHAEL JOHN G. MARGATE

Frontend Developer • Data Entry Encoder

Profile

I am an Information Technology graduate with basic knowledge in HTML and CSS. I created a website using ReactJS and Tailwind CSS during our capstone project. During my in-campus internship, I worked as a data entry encoder, helping the cashier encode receipt details. For my off-campus internship, I assisted with web development using WordPress. I am hardworking, willing to learn, and open to both front-end and data entry opportunities.
